## COMING TOGETHER FOR A CHRISTMAS LIKE NO OTHER

2020 has been a unique year, to say the least. For all of us, it has made such a tremendous change in the way we live and lead our daily lives. With family and friends we have not seen in many months, we are all yearning for the day when we can finally reunite and find a sense of normality amid the uncertainty.

Amongst all this, one thing rings true – that the love, support, and care we unfailingly give one another ignites hope for the better. And in this season, as our cities and communities are slowly but surely gaining pace of what was lost in months before, we look back at what this eventful and unforgettable year has taught us: there is nothing quite like the healing magic of coming together as we celebrate a Christmas that is truly unlike any other.

We endeavor to make this season just as memorable if not more meaningful as all the rest, by making our home at New World Makati Hotel as safe and cozy as yours.

May we all have a COVID-free Christmas!

## OUR COMMITMENT TO CARE FOR OUR COMMUNITY

---

Christmas has always been about giving back and paying it forward. With the global impact of the COVID-19 pandemic, education for many in the Philippines has become even more of a challenge. Access to education while at home is not attainable and nearly impossible for a number of communities around the country, which is why this year, we have partnered with Save The Children's "eSave Natin ang Pasko" program to provide a more meaningful holiday to 85 households. By providing children complete learning kits, these kits will help build a child's learning corner in the safety of their home. We are humbled to share in this small act of love and support to secure a brighter future for them and their families.
